Thanks Steve,

It appears that most folks still have the 1pm slot on their calendar so we will make use of it. It would be convenient to use the room and call number if still available. Thanks
Mike

Mike,

I am not available either Thursday or the following Tuesday, but this meeting can go on without me. I do not know the availability of others. I can check at our end for Division representation - likely Rob and possibly Jason. Don't know about the Water Board.

Steve

Steve and Jon -

It would be helpful if we could have a meeting/call to get some clarification on the most recent deliverable. Ideally we could set this up for Thursday a.m. since David and I will already be in Sacramento. Alternatively we could look at a call on Tuesday. My apologies for not including all of your key personnel as I am sending this from my phone. Please forward as you see fit. Thank you Mike Montgomery
